# TIMMS can now communicate with SugarCRM

The power of TIMMS in the palm of your hand

- ✓ **Pre-sales management:** from lead to customer
- ✓ **Sales processes:** opportunities and activities
- ✓ **Reporting:** business performance and sales pipeline analysis

# TIMMS is the brain – Sugar shows it off

TIMMS remains in total control of Master data and financials onsite

TIMMS sends and receives data to Sugar.- you choose what data

Sales teams don't need to login to the server onsite – they have access on the internet

TIMMS is integral. More features and automation requires data integrity. TIMMS keeps data safe.

Sugar provides extra reporting abilities, and offsite access to client information.

How does SugarCRM help the sales team and your profits??

# Sales stat : Communication

**48 %** of Sales People **NEVER** follow up with a Prospect

**25%** of Sales People make a 2nd Contact and **STOP**

**12%** of Sales People **ONLY** make 3 Contacts and **STOP**

**Only 10% of Sales People Make More than 3 Contacts**

5% of Sales **are made** on the 1st and 2<sup>nd</sup> Contact

15% of Sales are made on the 3<sup>rd</sup> to 4<sup>th</sup> contact

**and 80% of Sales are made on the 5th to  
12th Contact**

The more touch points the more  
likely the sale...

From sending automated emails, follow up calls,  
creating tasks and reminders to more complex  
workflow needs – SugarCRM ensures follow  
ups, and helps win the deals

SugarCRM workflows can be customised to your  
teams requirement

# Sales Team – lift Earnings through use of CRM

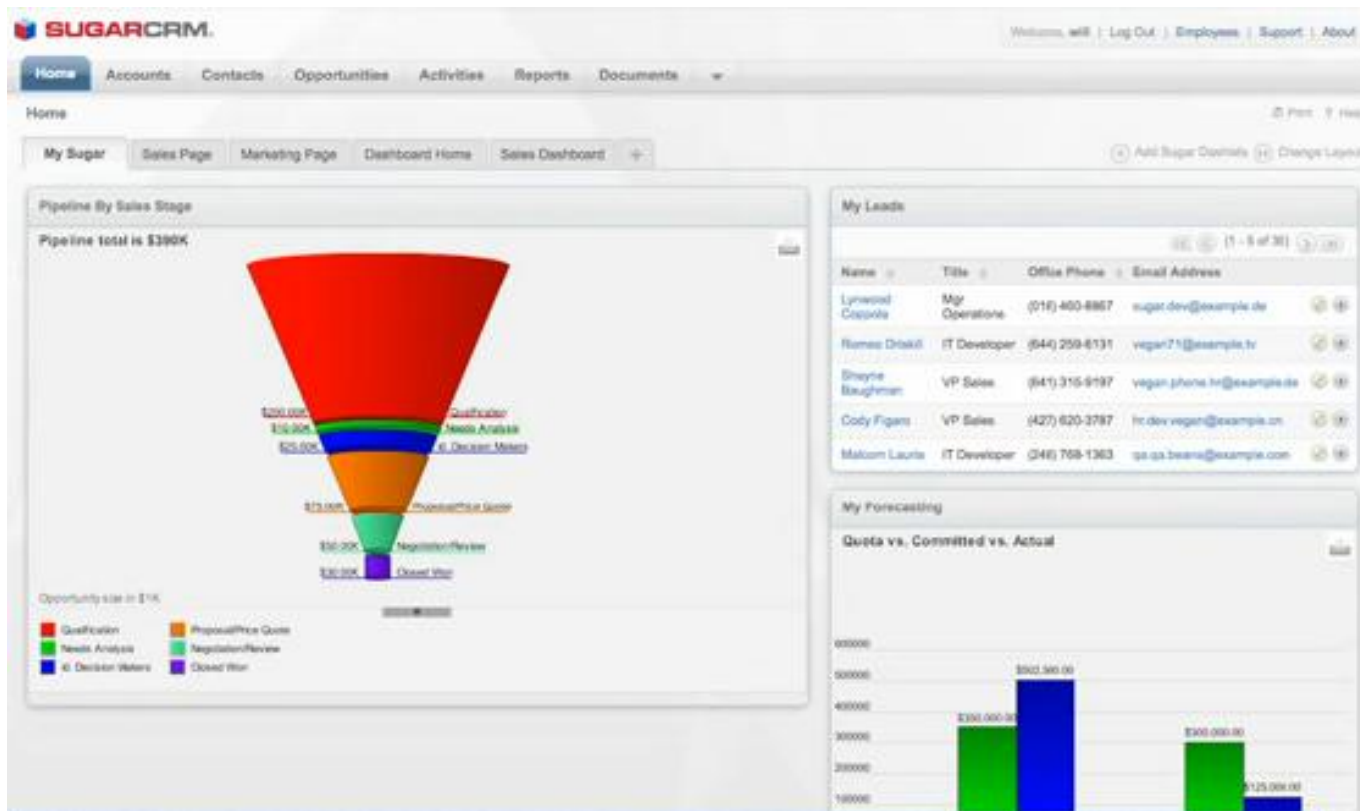

"More than 85 percent of sales reps in Best-in-Class sales organizations achieve quota, versus only 20 percent of their counterparts."

- Aberdeen Research

The screenshot displays the SugarCRM interface. The main dashboard features a 'Pipeline By Sales Stage' funnel chart with a total value of \$390K. The funnel is divided into stages: Qualifier (red), Needs Analysis (green), Proposal/Price Quote (orange), Negotiation/Review (light green), and Closed Won (purple). A legend at the bottom left identifies these stages. An 'Add' modal window is open in the center, showing a search bar and a list of modules and reports. The 'Add' window has tabs for 'Modules', 'Charts', 'Tools', and 'Web'. The 'Modules' tab is active, displaying a list of items including 'My Accounts', 'My Calls', 'My Contacts', 'My Favorite Reports', 'My Leads', 'My Open Cases', 'My Project Tasks', 'Too Complex', 'My Assigned Bugs', 'My Closed Opportunities', 'My Emails', 'My Forecasts', 'My Meetings', 'My Open Tasks', and 'My Top Open Opportunities'. The background dashboard also includes a table of users and a bar chart titled 'Committed vs. Actual'.

What about the owners?

CEO/Directors/Managers?

# Management benefits?

- Control sales and marketing teams
- Review leads and opportunities
- Instant reporting – workflow creations
- Internet based access OR onsite
- Communicate with the team
- Ensure teams are following up
- Beat the competition

# OWN YOUR DATA AND YOUR CUSTOMERS!!!

Extract the information from your team and protect that data

# SUGARCRM RETAINS THE INFORMATION

- If a sales person leaves - you keep all leads, quotes, and communication within one secure environment – **this alone could be worth hundreds of thousands of dollars!**
- You can “shift” clients to other team members
- New staff can easily review communication history and be in touch quickly
- Sales teams don’t own the contact sheets or business cards – you have all of it under electronic security

# Management reporting / graphs (amazing report functions)

Easy to create Dashboards – marketing Managers and CEO’s dream. Easiest of all CRM’s dashboards to implement.

# What about an ROI?

**CRM RETURNS \$5.60 FOR EVERY DOLLAR SPENT**

Are you getting the most from your CRM investment?

So says a [recent study](#) from Nucleus Research, based on a survey of 223 CRM decisions-makers. Interestingly, the study also found that [mobile access to CRM applications](#) increased salespeople's productivity by 15% on average

# Microsoft study...

- An independent study revealed that CRM deployment delivers an average ROI of 243%\*

\*based on data gathered from the 2013 Nucleus Research Benchmark Study of 362 CRM decision-makers in the United States and Europe. Survey respondents included a variety of industries in organizations ranging from small and medium-sized businesses to Fortune 100 companies.
